

Tracy

In 2003 you helped me find my own 1st home; in 2004 you helped me sell it & coached me on way to make a profit.

In 2007, I interviewed five realtors and still found you to be the "best". You gave good sound advice, creative constructive ideas and were on the same page as myself as far as time frame for selling & listing price.

Thank you for continuing to "grow" with me!
Sincerely,
Dorothy Heasley
